

CITY OF BASTROP STORM WATER DOCUMENT
1001 Henry Ave., PO Box 706, Bastrop, La. 71220

NOTICE TO: Businesses that perform body work, mechanic work or spray painting, or vehicle equipment washing.

City of Bastrop Code of Ordinance NO. 14-4224, section 6-95-6 states:

It is unlawful for any person, company, firm or corporation residing, or doing business form or in the corporate limits of the City of Bastrop or locations abutting its boundaries, to dispose in any matter or discharge by any means, waste matter or material substances, in any form, regardless of nature, or petroleum oils, greases, chemicals or their by products into the subsurface or storm drainage systems or waterways of the City of Bastrop.

The provisions of this section shall not apply to water line flushing or other potable water sources, landscape irrigation or lawn watering, diverting stream flows, rising ground water, ground water infiltration to storm drains, uncontaminated pumped ground water, foundation or footing drains, (not including active groundwater dewatering systems), crawl space pumps, air conditioning condensation, springs, non commercial washing of vehicles, natural riparian habitat or wetland flows, swimming pools, firefighting activities, and any other water source not containing pollutants.

The penalties for violation are herewith established as follows: Any person that violated or continues to violate this ordinance shall be liable to criminal prosecution to the fullest extent of the law, and shall be subject to a criminal penalty of up to \$1000.00 dollars per violation per day and / or imprisonment for a period of time not to exceed 30 days:

I understand and hereby agree to comply with the City's Storm Water regulations.
